

Just Walk Route Overviews (all routes are circular and go anti-clockwise)

The black route is the 60km and all other routes are shorter loops within the 60km route. The 60km route goes anti-clockwise

Red shows the 45km route loop going anti-clockwise, blue shows the 35km route loop going anti-clockwise, orange shows the 25km route loop going anti-clockwise, pink shows the 10km route loop which is the only route that goes clockwise

(The routes are subject to change at any time due to permissions and route consultations)
